THE PROCESS OF PROCESSING AND SUPPLYING EGG LIQUID

"FARM TO FORK" ENCLOSED PROCEDURE

Dear Valued Customer,

First, Ba Huan would like to send greetings and best wishes to our customers.

We want to express our sincerest gratitude to our current and future customers collaborating in business transactions with our company.

Ba Huan Joint Stock Company, with over 50 years of continuous dedication and adhering to the motto **'Supplying clean food chain for every household'** aims to become the leading provider of clean, high-quality agricultural products with stable prices to consumers nationwide and expand globally.

Ba Huan's products go beyond poultry eggs and include various processed foods such as **chicken meat, sausages, and chicken floss...** which are available in over **3,000 supermarkets** across all **63 provinces** and cities nationwide. Moreover, Ba Huan's products meet international standards and are exported to foreign markets such as the **United States, Hong Kong, Singapore, and Malaysia.**

To become a reliable partner, Ba Huan Joint Stock Company constantly adapts and changes every day, aiming to provide fresh, high-quality products and offer favorable pricing policies and support programs for customers seeking long-term cooperation with Ba Huan. Additionally, we are committed to being a stable supplier in quantity and price, prioritizing the needs and requirements of our valued customers and partners.

When you choose Ba Huan Joint Stock Company, you will always experience satisfaction with our product quality and professional services, aiming to deliver outstanding value to our customers. With the belief in **'Sharing community trust'** Ba Huan firmly believes that it will become a reputable product supplier and a reliable partner in your business activities, working together to build a sustainable and cooperative relationship.

Sincerely thanks!

Head of Business Division
